

ABACUS

Linear Suspension Lighting

THE BRIGHT [∨]ANGLE

THE BRIGHT ^YANGLE

ABACUS

Linear Suspension Light

The Abacus Linear Suspension Light is a modular lighting system made from translucent porcelain and brass. The Abacus is comprised of one foot sections of illuminated porcelain connected by elegant brass. When the translucent porcelain is illuminated, a warm soothing glow is cast through the organic material. Paying homage to both classical art deco angles and modern architecture, the Abacus is a timeless, yet contemporary porcelain sculpture designed and created in Asheville, NC, USA. Each module can be connected to create a suspended linear light fixture of any length.

TRANSLUCENT PORCELAIN LIGHTING COLLECTION

ILLUMINATE
YOUR LIFE

THE BRIGHT ANGLE

The Bright Angle is a porcelain design studio located on the South Slope of Asheville NC. Our mission is to create intentionally-designed and well-crafted products to add meaning to life and combat disposable culture. Currently, we are focusing on diffusing light with translucent porcelain. Our porcelain is mixed from scratch using thoughtfully sourced materials, many of which come from the mountains of North Carolina. Our process is completely modular allowing clients to collaborate with us on their own unique fixtures. Our aesthetic is elegant and modern. The Bright Angle is revolutionizing lighting by bridging cutting edge technology with the purest ceramic materials.

Featuring nine forms inspired by the geometry in nature, The Bright Angle's Translucent Porcelain Lighting Collection is handcrafted with locally-sourced materials in Asheville, North Carolina. With expert craftsmanship and innovative designs, this collection brings lasting beauty to your everyday life.

THE BRIGHT  ANGLE

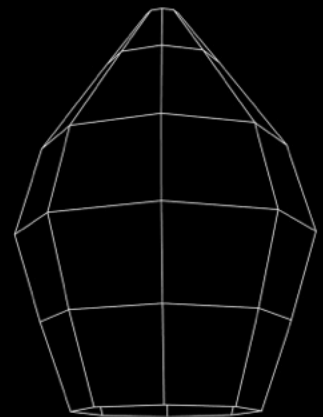

EXTENSION 1

7.5 Inch Hanging Pendant Light

The Extension 1 is the smallest pendant light of the Translucent Porcelain Lighting Collection. It is the perfect lighting solution for your breakfast nook or kitchen island. Although it is small, the Extension 1 provides abundant light without sacrificing space. Create a striking do-it-yourself chandelier with three or more.

Specs:

- Shade dimensions: 7.5" x 5.5" x 5.5"*
- Approximate weight: 1lb, 3oz*
- 15' black fabric cord with on/off toggle switch, 2 hooks and mounting clips*

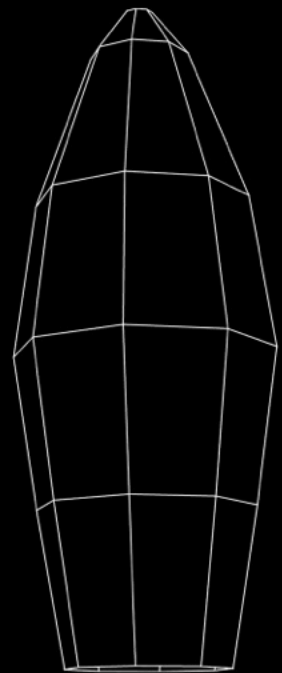

EXTENSION 2

21 Inch Hanging Pendant Light

The Extension 2 has been inspired by the millennial-old tradition of Japanese paper lanterns. The Bright Angle has modernized the lantern design with geometric, translucent porcelain. The Extension 2 not only provides a luxurious glow for any patio, porch, or dining room, but it also invokes nostalgia for an ancient tradition. Three or more creates a beautiful chandelier.

Specs:

- Shade dimensions: 21" x 5.5" x 5.5"*
- Approximate weight: 3 lbs*
- 15' black fabric cord with on/off toggle switch, 2 hooks and mounting clips*

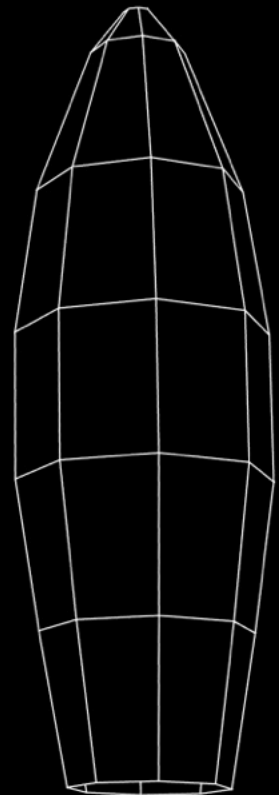

EXTENSION 3

25 Inch Hanging Pendant Light

The Extension 3 is the sleekest and largest of The Translucent Porcelain Lighting Collection. It sets the stage for any dining room, living room, entryway or hallway. The Imago makes a statement, and it doesn't shy away from being the center of attention. Design your own chandelier with multiple lights or let one boldly stand alone.

Specs:

- Shade dimensions: 24.5" x 5.5" x 5.5"*
- 15' black fabric cord with on/off toggle switch, 2 hooks and mounting clips.*

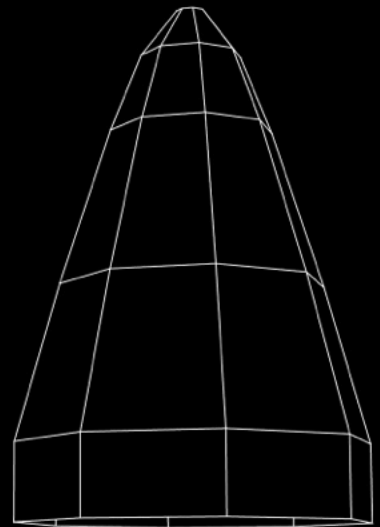

EXPANSION I

11 Inch Hanging Pendant Light

The Expansion 1 pendant is a geometric statement and immersive lighting experience. Hang this light over kitchen islands, bars, or gaming tables for an illuminated experience. Select multiple for a beautiful arrangement or a track lighting design to transform any room.

Specs:

- Shade dimensions: 11" x 7.5" x 7.5"
- Approximate weight: 2 lb, 7 oz
- 15' black fabric cord with on/off toggle switch, 2 hooks and mounting clips

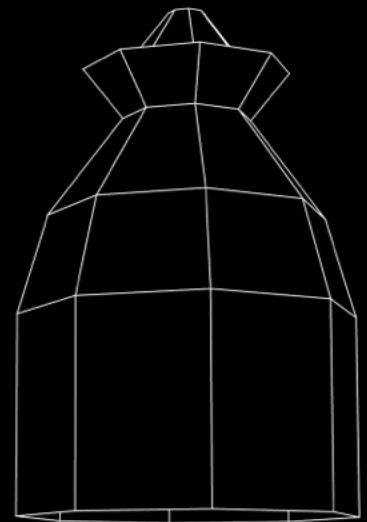

EXPANSION 2

8 Inch Hanging Pendant Light

The Expansion 2 is a modern twist on a classic pendant form. The geometric curves sit beautifully over tabletops, workspaces, and reading chairs. Let the Expansion 2's light wash over your laptop, lunch, or page enabling you to focus without interruption. Select multiple for a beautiful arrangement or a track lighting design to transform any room.

Specs:

- Shade dimensions: 8" x 6.5" x 6.5"
- Approximate weight: 1 lb, 14 oz
- 15' black fabric cord with on/off toggle switch, 2 hooks and mounting clips

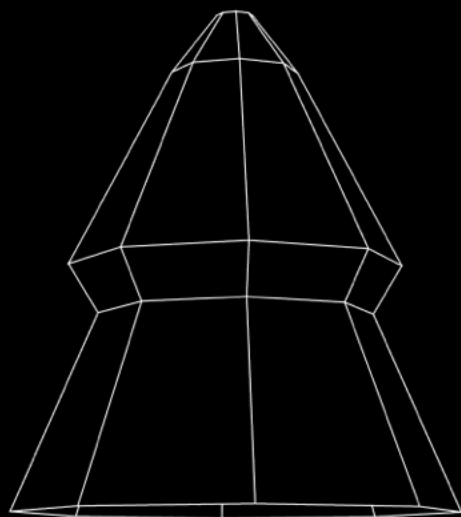

EXPANSION 3

9 Inch Hanging Pendant Light

This pendant spreads white, direct light downward while the shade emits a soft, warm glow at eye level. It offers a subtle yet striking geometric detail, taking this porcelain design to the next level.

Specs:

- Shade dimensions: 11" x 7.5" x 7.5"
- Approximate weight: 1 lb, 14 oz
- 15' black fabric cord with on/off toggle switch, 2 hooks and mounting clips

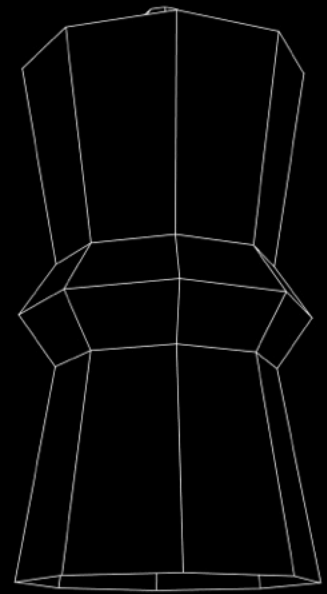

TESSELLATION I

9 Inch Hanging Pendant Light

This clean, focused design will level up your modern space. We recommend arranging several down a bar or hallway.

Specs:

- Shade dimensions: 8.75" x 4.5" x 4.5"
- Approximate weight: 1 lb, 13 oz
- 15' black fabric cord with on/off toggle switch, 2 hooks and mounting clips

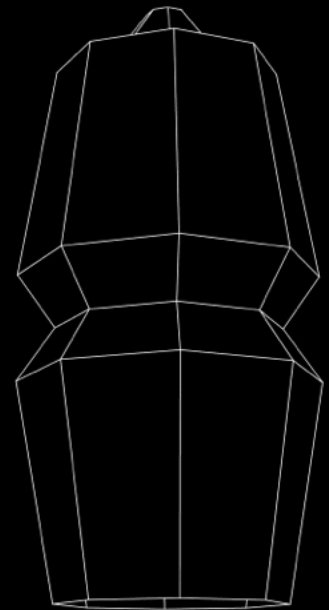

TESSELLATION 2

9 Inch Hanging Pendant Light

The Tessellation 2 is the most versatile of the Translucent Porcelain Lighting Collection. It's the perfect piece to start a conversation. For a more dramatic effect, arrange several in a cluster.

Specs:

- Shade dimensions: 8.75" x 4.5" x 4.5"
- Approximate weight: 1 lb, 10 oz
- 15' black fabric cord with on/off toggle switch, 2 hooks and mounting clips

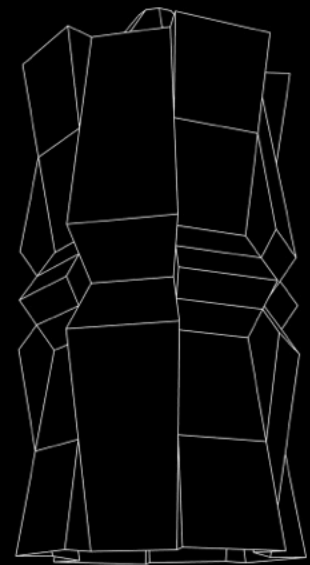

TESSELLATION 3

9 Inch Hanging Pendant Light

With this edgy design, The Tesselation 3 will undoubtedly make a statement in your home, restaurant, or office. If intrigue is your game, you won't compromise with this light.

Specs:

- Shade dimensions: 8.75" x 4.5" x 4.5"
- Approximate weight: 1 lb, 13 oz
- 15' black fabric cord with on/off toggle switch, 2 hooks and mounting clips

BELLE WHITE TRANSLUCENT
PORCELAIN PENDANT LIGHT

Experience the ethereal charm of the Belle White Translucent Porcelain Pendant Light, where delicately diffused light creates a comforting ambiance that transcends ordinary illumination.

BENEFITS OF TRANSLUCENT PORCELAIN

Durability: Porcelain is a much harder material than glass and is less prone to cracking or breaking, making it a more durable material for lighting fixtures. Porcelain is also less likely to shatter if dropped or hit, which makes it a safer option for homes with children or pets.

Diffused light: Porcelain is a naturally translucent material that diffuses light, creating a soft and warm glow that is more gentle on the eyes than the harsher glare produced by glass fixtures. This makes porcelain lights ideal for creating a relaxing and inviting atmosphere in a room.

BENEFITS OF TRANSLUCENT PORCELAIN

Craftmanship: With great care, we shape and sculpt translucent materials to perfection, ensuring that light passes through our fixtures with a gentle, ethereal glow. This delicate balance of form and function is achieved through our meticulous process, where the artistry of our handmade creations shines through.

Sustainability: Porcelain is an eco-friendly and sustainable material that is made from natural materials such as clay, feldspar, and kaolin. In contrast, glass is made from non-renewable resources and requires a significant amount of energy to produce.

Belle Black Porcelain Pendant Light

ITEM NO.	BELLE-BLK	DESIGNER	NICK MOEN	DATE	2023	SERIES	PENDANT LIGHTING
----------	-----------	----------	-----------	------	------	--------	------------------

The Belle Black Porcelain Pendant Light is a modern hanging light for your kitchen, office space, restaurant dining room and more. Our porcelain pendant light shade surpasses both terracotta and stoneware ceramic shades in quality and durability. It comes with an Edison light bulb and dimmable lighting fixtures to create the perfect ambiance in whatever room you decide to install it in.

BELLE BLACK PORCELAIN PENDANT LIGHT

This pendant light embodies an elegant fusion of classic and contemporary elements. Its satin black porcelain surface exudes sophistication, while the delicate, bell-shaped design adds a touch of grace. Whether placed in a modern minimalist setting, a vintage-inspired space, or an eclectic interior, the Black Belle Pendant effortlessly adapts to different decor styles, creating a harmonious balance between boldness and subtlety. Its versatile charm makes it a captivating centerpiece that enhances any space it illuminates.

"The Belle Pendant was designed to showcase the softness of porcelain through a comforting shape with clean lines and a satin smooth finish. I was inspired by the intersection of organic curves with architectural lines. When designing I work to make the forms unique, yet approachable without using traditional circles." - Nick Moen, Designer
